## **DISCLAIMER**

**This document contains draft regulations that have been prepared by the California Energy Commission staff for public review and comment. The draft regulations do not necessarily represent the views of the California Energy Commission, its employees, or the State of California. The regulations have not been approved or disapproved by the California Energy Commission. They will be the subject of a public workshop to be held by the California Energy Commission's Siting Committee on June 29, 2007.**
